Kassel Engine Rebuild Warranty

Warranty Period:

Kassel Performance warrants its rebuilt long block engines against defects in materials and workmanship for **12 months or 12,000 miles**, whichever comes first, from the date of purchase.

Covered Components:

– Internal long block components: cylinder block, cylinder head(s), crankshaft, connecting rods, pistons, camshafts, bearings, and valves.

Not Covered:

- External components (turbo/supercharger systems, clutch assemblies, flywheels, intake, fuel, ignition, cooling, electrical, ECU/tuning).
- Failures due to overheating, oil starvation, detonation, improper installation, neglect, or abuse.
- Use in racing, competition, dyno testing beyond break-in, or performance modifications beyond factory specification.
- Consequential losses: towing, rental vehicles, lost income, downtime.
- Removal and installation labor unless Kassel performed the install.

Conditions of Coverage:

- Installation must be performed by Kassel Performance or a professional installer pre-approved by Kassel.
- Engine must be filled with fluids and filters specified by Kassel.
- Break-in procedure must be followed (500-mile oil change required).
- Maintenance records must be kept and submitted upon request.
- Customer must notify Kassel prior to any disassembly. Unauthorized repairs or teardown void warranty.

Warranty Remedy:

If a verified defect is found, Kassel Performance will, at its discretion:

- Repair the engine,
- Provide a replacement long block, or
- Refund the purchase price.

Liability is strictly limited to the cost of the engine purchased.

Optional Extended Coverage:

Extended warranty options may be available at time of purchase. Terms and exclusions remain the same.
